

It All Begins on

ShopWithScrip.com

Start Today! You can order and pay for Roncalli's Gift Cards online or pay by check when you pick up. Gift cards will still be available right at Roncalli High School or at either St. Mary's or Sacred Heart Churches after weekend Masses.

ShopWithScrip allows you to create personal accounts where you can log in and place scrip orders at any time from the comfort of your home. You will be able to order all the Aberdeen retailers' cards plus the 350 cards available from other nationwide businesses. Call Roncalli's Development Office at 605-226-2100 for the enrollment code.

It's easy! Just go to: **www.ShopWithScrip.com**

Read all about the program and then register by going to "How to Enroll" and clicking on "Joining Your Existing Program." Register your family online to link your account with Roncalli, so we get the rebate. You may pay for your online orders when you pick them up at Roncalli High School, or you can pay for the orders using **PRESTOPAY** at the time you place the order. **PRESTOPAY** is an electronic payment method offered that will allow you to securely link a bank account to your **ShopWithScrip** account. (It takes a few days to activate your **PRESTOPAY**, so you may wish to let the Development Office know that you are initiating your account.)

Please note: You can order through **ShopWithScrip** anytime, but orders are fulfilled once a week. When your order has arrived at Roncalli High School and is ready for pickup, you will be notified.
